

We hope you are basking in the joys of summer and making cherished memories filled with laughter, adventure, and hopefully a little relaxation!

As we prepare for the 2023 - 2024 school year, we want to take a moment to express our heartfelt appreciation for your continued support. Your involvement and dedication to our school community are invaluable, and together, we have created an environment that fosters growth, learning, and above all, happiness for our children.

September marks a new chapter filled with fresh opportunities for our children's growth and development... and opportunities for you to be involved! The PTO is committed to supporting our school's enrichment programs and initiatives, ensuring that your child's educational journey is as rewarding as possible, but we need support from parents to achieve our goals. We have many varying opportunities to get involved that can fit your lifestyle and time constraints

We have an exciting array of events and projects lined up for the upcoming school year, all designed to create a vibrant, inclusive, and thriving learning community. Our mission is to collaborate with parents, teachers, and the entire school staff to provide the best possible resources and experiences for our students - we appreciate your support in helping us achieve this!

2023-2024 STUDENT DUES

PTO covers 100% of all field trip and in-class enrichment activities. In lieu of paying for each event individually, we ask each family to pay dues for their children with 100% of funds benefiting the students.

Due to the drastic increase in transportation costs, our suggested are are **\$75 per child** - we welcome additional donations from those families that choose to donate more!

Student/PTO Dues can be paid in one of two different ways.

Personal Check: Make checks payable to "Cole School PTO" and send it into school. Note student name(s) on the Memo line.

Venmo: @Cole School-PTO. Note student name(s) on the "What's it for?" line.

NEW PLAYGROUND ENCLOSURE

The new playground enclosure has been completed! Thank you to the Norwell School Committee, Central Office, the maintenance department, Armstrong Fence and the Norwell taxpayers.

Come check it out during Popsicles on the Playground for all age children and parents on August 7th from 10-11:30!
